A person with long brown hair, wearing a blue hooded coat and a brown knit scarf, stands with their back to the camera in a forest. The forest is filled with tall, thin trees, some with white bark (birches) and others with dark bark (pines). The ground is covered in green moss and fallen leaves. Hi guys, Mom has several appointments this week. Oncologist on Wednesday at 10am and Physical Therapy on Friday at 2pm. Can any of you take her? Or I can ask Wellthy to arrange transportation.

Shoot, Sam, I'm out of town and I know Claire is tied up with work and stuff with the kids. Next time!

Ok, will have Wellthy handle... Dana, when you confirm the appointments, will you also arrange transportation? Mom seemed to really like the last driver she had. Thank you, as always for the help.
